Mr. Leslie T. Rogers
Regional Administrator
Federal Transit Administration
201 Mission Street, Suite 2210
San Francisco, CA 94105

Attention: Ms. Sue Kiser

Attention: Mr. Ray Sukys

Dear Ms. Kiser and Mr. Sukys:

With this letter and pursuant to the authority delegated to me, I approve the following Amendment of the Kern Council of Governments (KCOG) 2002/03-2004/05 Federal Transportation Improvement Program (FTIP):

- | <u>No.</u> | <u>Description</u> |
|------------|--|
| 6 | State, Local and Transit Elements <ul style="list-style-type: none">• Modifies or adds various projects in Kern County. The Amendment includes funding from the Congestion Mitigation & Air Quality (CMAQ) program, Forest Highway Funds, Federal Transit Administration (FTA) 5309C funds, and Transportation Enhancement Activities (TEA) funds. See enclosure. |

I am also recommending that the Federal Highway Administration and the Federal Transit Administration approve this FTIP Amendment for inclusion into California's 2002/03-2004/05 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP in fiscal years not within the three-year cycle of the current FSTIP are not approved as part of this FTIP Amendment and are shown for information only.

The updated programming has been found by the KCOG to conform to applicable air quality regulations. Therefore this FTIP Amendment is consistent with the State Implementation Plan. The financial impacts of this amendment are compatible with anticipated revenues in the FSTIP Financial Plan and do not significantly affect the overall financial analysis. These projects are included and submitted by KCOG through the California Transportation Improvement Program System (CTIPS). Caltrans concerns, if any, are reflected in the "Caltrans comment" section of the FTIP Project Data Entry screen in CTIPS project by project.

In accordance with existing law, public involvement procedures are a part of the project selection process. The KCOG prepared this FTIP Amendment under that process permitting citizens, affected local agencies, other public agencies, and other interested parties reasonable opportunity for comment.

Please address any questions on this FSTIP approval request to Muhaned Aljabiry of my staff, at (916) 654-3521.

Sincerely,

JIM NICHOLAS

Chief

Division of Transportation Programming
